## ORIGIN OF FUJI TECHNICAL SERVICES PVT.LTD.

Fuji Technical Services Pvt. Ltd.(FTS) was incorporated as a Private Limited Company on 24th May 1989.

FTS was formed basically with the objective of rendering Technical Services to Indian users of Japanese make captive Diesel Power Plants thereby reducing the requirement of Japanese Engineers being present in India for service activity.

FTS gradually absorbed qualified Engineers and a few of them got trained in Japan on Fuji Diesel Engine maintenance. Simultaneously they acquired license to maintain MITSUBISHI KAKOKI KAISHA LTD.(MKK) Centrifuges as well as MITSUBISHI HEAVY INDUSTRIES LTD.(MHI) Diesel Engines and FTS was appointed agents in India for MKK and MHI in the service sector.

FTS has also been appointed as Authorized Service Agents for MITSUBISHI OIL PURIFIERS & KUBOTA ENGINES. Our Engineers have undergone extensive training at MITSUBISHI KAKOKI KAISHA LTD, JAPAN as well as MITSUBISHI HEAVY INDUSTRIES LTD, JAPAN for Mitsubishi Diesel Engines and have been licensed by them to service their equipment.

In its continuous endeavor to maintain & offer quality services to its clients, FTS achieved ISO 9001-2015 and has grown bigger with a Fujitech family of 200 employees which are engaged in works at different parts of country. FTS has achieved **NSIC-CRISIL Rating: MSE\*2.**
